## Looking to Grow Your Sports Administration Program but Can't Get the Budget???

*In the 2005-2006 season, NCAA Division I sports reported these losses to the Department of Education:*

Women's basketball—\$169 million

Men's baseball—\$72.3 million

Women's softball—\$65.3 million

*From: The Owners Box* will show you how to get money for your budget, make money for your school, & place your students in the professional sports industry.

- ✿ We'll work with your Sports Management Program to gain the results you desire.
- ✿ We can work with your Sports Administration program;
  - Providing publications and text for the classroom.
  - Providing Saturday Seminars and career opportunities.
  - Providing a course as part of the curriculum.
  - Teaching students on campus via internships & independent studies.
  - Using marketing, public relations, & students to make the University dollars.
  - Managing events using students who will get credits & hands-on experience.
